President's Message

Happy June!

As we begin our journey into our long and trying dog days of summer, I encourage all of you to stay involved with Women's Council of REALTORS®. We are planning some new and exciting events that will enlighten us and help us network more with our fellow members. Our VP of Membership, Denna Ketchum is working hard to host monthly socials at various businesses around town. We are going to try to keep these in a standard, monthly position so that everyone will be able to become accustomed to when they occur. We also have some other exciting events planned. Please keep your eye on your emails so as not to miss a single minute of the fun.

I would like to take the opportunity to thank and congratulate the group of people who helped to organize and run the *Girl's Night Out* that was a smashing success! We were able to raise in excess of \$3000 for our chapter. With the help of our Ways and Means chairperson, Jeff Okamura, Kelli Wallin from Cartridge World chaired the event. All I can say is WOW! She did an amazing job! She spent countless hours organizing and delegating. Without her hard work and dedication, I am not sure if we would have had such a successful event. I would also like to also give a special shout out to some others who gave of their time: Michelle Morgan for organizing the fabulous fashion show, Denna Ketchum and Sharone Jerzy for doing a great job of making it a sold-out events by helping with ticket sales, Amber Cheramy and Julia Roberts for organizing the Mr. Big's auction, Stewart Title for help with check-in and all those that either sponsored or got sponsors for the event. With everyone working together for one goal, we were able to have a super successful event.

Next month's speaker will be Carol Keller enlightening us with the importance of wills and trusts. August's speaker is Tom Farley, CEO of the Arizona Association of REALTORS®. He will be enlightening us on what AAR is doing for us and what steps they are taking in the political front to protect consumers as well as the real estate professional.

Thank you all for being such a great group and allowing me to serve you as President.

Sincerely

Mary Roberts

WCR Mid Year Meeting

This year being the President Elect I had the opportunity to go to Washington DC for the WCR Mid Year Meeting. It was a great experience. We had time to sit a talk with many other chapters and get a broader idea of what chapters around the country do as well as become even more informed on what other chapters in Arizona do.

I personally came back with some great ideas. One of which is a WCR Mastermind Group that I hope to implement soon. This will give members an hour a month to come in and discuss pressing topics in the industry. It will be an open forum with a mix of round tables and open discussion. I hope we can pick a new topic every month and discuss it with lenders, title agents, realtors, and everyone involved to find the best ways to handle these issues.

It is my goal to give our members great education and a sense of togetherness. If you have any suggestions for me on topics you would like to hear about please feel free to email me at amber@brooks-clark.com

Thank you,

Amber Cheramy
